"When I Must Leave You"
When I must leave you for a little while,
please do not grieve and shed wild tears and
hug your
sorrow to you through the years
But start out bravely with a gallant smile;
and for my sake and in my
name live on and do all things the same,
feed not your loneliness on empty days, but
fill each waking hour in useful ways, reach
out your hand in comfort and in cheer
and I in turn will comfort you
and hold you near; and never, never
be afraid to die, for I am waiting
for you in the sky!
